

The Undergraduate Learning Assistant Program

Why be a Learning Assistant (LA)?

- Help teams with in-class work
- Become a mentor for students
- Work closely with faculty
- Enhance interpersonal skills
- Build your résumé!
- Share your course experiences
- Gain insight about teaching and learning
- Grasp course material at a deeper level
- Stand out as a leader in the College of IST
- Put some money (or credit) in your pocket

Contact Jared Bosco: jwb5883@psu.edu if you have any questions and are interested!

The Undergraduate Learning Assistant Program

Qualifications

- A- or better in the course of interest
- Schedule must be open during class meeting time

Contact Jared Bosco: jwb5883@psu.edu if you have any questions and are interested!

The Undergraduate Learning Assistant Program

Two Options for Applying:

- Matched: Faculty member and student establish mutual verbal agreement that they would like to work together; student submits “matched” application
- General Pool: Student submits application without being matched; College places qualified student if additional LA’s are needed and if applicant’s schedule matches the course meeting time
